Volcanic Eruptions!
Saturday, Sept. 7
Explore fun facts about volcanoes, lava and eruptions in this explosive workshop, all while creating your own active experiment!

Let’s Talk Bones!
Saturday, Oct. 5
Do you know you have up to 270 bones in your body? We will explore the wonders of a skeleton at this workshop. Will you be able to tell if it is human, animal or other?

One Small Step...
Saturday, Nov. 2
2019 is the 50th anniversary of the Apollo Program! Celebrate with us by learning about space, what it takes to be an astronaut, and the planets in our solar system.

Simple Circuit Creations
Saturday, Jan. 4
Explore electricity with a “shocking” look at circuits. This workshop is bound to spark an interest in how simple circuits work.

Heroes With Four Legs
Saturday, Feb. 1
It is said, “dogs are man’s best friend!” But, they are so much more than that! Explorers will find out about the many jobs our four-legged heroes do so well.

Fun with Forensics
Saturday, March 7
Fun with Forensics will guide young crime scene investigators to solve the crime of the century: Who stole the cookies from the cookie jar? Join us as we dust for fingerprints, collect shoeprints and gather other pieces of evidence to identify the criminal.

Science of the Senses
Saturday, April 4
Did your breakfast taste good this morning? How do you know? Was it hot or cold, soft or crunchy? Explorers will discover how the five senses help them to navigate our world.

Hooray for H₂O
Saturday, May 2
Is water just for swimming and bath time? Explorers will find that water is a mighty force and isn’t just for drinking anymore!

* Child MUST be 4 years old by Sept. 7 to participate in the Explorers Jr. workshop.
I, (print) _________________________________________, the parent/legal guardian of (print) _________________________________________, give my express permission for him/her to participate in any of the activities of the program in which he/she is enrolled. I release the Putnam Museum & Science Center, its directors, instructors, employees, and volunteers from any and all liability which may arise from participation or observation of said program and activities. This is a general release of all possible claims of every kind against the Putnam Museum & Science Center, and this release shall be interpreted liberally to effectuate maximum protection for the Putnam Museum & Science Center. In the event there arises an emergency necessitating medical attention, I understand that every possible attempt will be made to reach me immediately. However, if I cannot be reached, I hereby consent and give my permission to the Putnam Museum & Science Center staff, instructors or any attending physician to make such decisions and perform such medical treatment upon said minor which may be necessary and proper under the circumstances. In addition, I give my permission for any staff member to seek and/or request transport for this medical attention for my child if I cannot be reached. It is the intention of this release that the above named individuals incur no liability whatsoever while attending the responsible and necessary treatments that may be needed by said minor.
